Eugenia

We can provide some comments on the NBSA DGA Report but to really provide substantive comments we need to review the DEARs Report which it cites and that is taking some time - so CPG can give you some comments next week but would like to provide more later.

Your thoughts,

Tierra has submitted the attached Data Gaps Analysis Report. If you want to send me any comments, please do so by April 1 (it's short -less than 20 pages)

Thanks,
